UNPAD ASEAN Scholarship (UAS) Master's Track

Empowering future leaders, innovators, and collaborators from ASEAN to learn, grow, and make an impact with Universitas Padjadjaran.

About the Program

The UNPAD ASEAN Scholarship Master's Track is a flagship initiative by Universitas Padjadjaran designed to strengthen academic collaboration and regional ties within ASEAN. The scholarship offers outstanding students and professionals from ASEAN member states opportunities to study and engage in transformative learning experiences at UNPAD.

The scholarship is offered through two pathways:

1. **Master's Leadership Track** – Focused on nurturing future leaders with advanced knowledge and strategic skills to drive positive change in their communities and countries.
2. **Master's Excellence Track** – Designed for students seeking academic excellence in specialized Master's programs across UNPAD's faculties.

Through these tracks, the UNPAD ASEAN Scholarship fosters regional integration, cultural exchange, and leadership development, contributing to a network of ASEAN professionals committed to sustainable development and cross-border cooperation.
